DETERMINATIONS****CRAFT/CLASSIFICATION:** Electrician (Sound and Signal Technician)**DETERMINATION:** BUT-1999-2, GLE-1999-2, LAS-1999-2, MOD-1999-2, PLU-1999-2, SHA-1999-2, SIS-1999-2, TEH-1999-2, and TRI-1999-2.**LOCALITY:** All localities within Butte, Glenn, Lassen, Modoc, Plumas, Shasta, Siskiyou, Tehama and Trinity counties.

The Department of Industrial Relations has determined that the collective bargaining agreement VOICE, VISION AND SOUND AGREEMENT between Local Union #442 International Brotherhood of Electrical Workers and Northeastern California Chapter, National Electrical Contractors Association, Inc. is no longer in effect.

This collective bargaining agreement was the basis for the Sound and Signal Technician classification for the following determinations: **BUT-1999-2, GLE-1999-2, LAS-1999-2, MOD-1999-2, PLU-1999-2, SHA-1999-2, SIS-1999-2, TEH-1999-2 and TRI-1999-2.**

Given the finding by this Department that this agreement is no longer a bona fide agreement for consideration under Labor Code Section 1773 and the regulations governing the payment of prevailing wages, there is no longer a basis for recognizing the **Sound and Signal Technician** classification. Therefore, the **Sound and Signal Technician** classification under the above determinations will no longer be in effect as of **September 17, 1999**. This classification may continue to be used on public works projects for which the notice to bidders has been published before September 17, 1999.
